

Web-based (On-Line) Legal & Financial Services

In addition to your Employee Assistance Program provided by LifeServices, you have access to Legal & Financial services. This service offers clients complete assistance with most legal or financial situations where clients can access resources on-line. Assistance can be accessed for the following:

- Local attorneys
- Financial Resources
- Legal & Financial Library
- Legal & Financial Tools
- Legal Forms
- Local Mediators

Special features of our on-line Legal & Financial service include:

- Streamlined navigation that makes it easy to find the tools, resources and articles you need
- Enhanced security when accessing the site
- Extensive educational content
- Self-help guides
- Personal feedback screenings
