

Bath Township Solid Waste District

Residents may contact the Bath Township Solid Waste District at 330-666-4007 to sign up for service. Other inquiries may be directed to Rumpke at 800-828-8171 or the township.

Bath Township has selected Rumpke as the sole trash and recycling service provider for township residents, effective July 1, 2016.

Bath Township residents will receive one brown 95-gallon trash cart and one green 65-gallon recycling cart. Carts have many benefits including a closing lid, wheels for easy rolling, and minimal footprint. If you have questions or concerns about the cart size or your ability to manage the cart, contact Bath Township.

The carts are the property of Rumpke. If a cart should become damaged, please contact Rumpke for replacement. Additional carts may be leased directly from Rumpke at 800-848-8171.

Use of carts that are "similar in size and shape" to the cart Rumpke provided is allowed; however, Rumpke will not be responsible for any damage. Carts from other trash companies will not be serviced.

Cart usage and service guidelines:

- ~ All trash and recyclables must be placed at the curb (or outside of the garage door for garage door subscribers), by 7 a.m. on your collection day.
- ~ Solid waste should be bagged, tied and put into the trash cart. Trash that does not fit into the cart may be placed in bags or additional carts. Weight should not exceed 50 pounds.
- ~ Recycling may be loose and co-mingled inside the recycling cart. See recycling guidelines below. Note: Garage Door customers need to bag all recycling as it must be transferred from the small truck.
- ~ Cart Placement:
 - Face the wheels/handle away from the street.
 - Place within 3 ft. of the street.
 - Place at least 3 ft. from carts, mailboxes and objects.

Bulky Item Guidelines

Rumpke will collect bulky household items from the curb on your regular service day at no additional charge. Collection must be scheduled 24 hours in advance by calling Rumpke. Examples of bulky items include appliances, carpet, furniture and large toys. Fabric and upholstered items such as furniture, mattresses and box springs must be wrapped in plastic. Holiday trees will be collected throughout the first two weeks of January.

Prohibited Items

- ~ DO NOT place these items inside the trash or recycling: Tires, hazardous waste, liquids, flammable materials, batteries or household chemicals. For safe disposal options, please visit SummitReWorks.com.
- ~ Safe Disposal of Sharps & Needles: Place sharps and needles in a hard plastic laundry detergent bottle, reattach the lid and secure it with duct tape. Use a thick permanent marker to write "SHARPS" on the bottle and place it in your trash.

Clothing, sheets, plastic bags*, cassette tapes, metal hangers, metal chains, hoses, batteries, buckets, car parts, chemicals, cord, cups, dishware, electronics, hazardous items, light bulbs, needles, pots, pans, ropes, toys, tubs, window glass, and wire.

*Plastic bags may be recycled at most grocery stores.

Township Recycling Centers

Residents have convenient recycle collection centers at the Bath Elementary School and the Herberich School parking lots. These centrally located collection areas allow schools, businesses, and residents with no curbside recycling the opportunity to recycle items.

The township had received grants from Summit County ReWorks for three years. This money was saved for the specific purpose of providing a recycling center. No tax or school levy money was used for this project. Then with cooperation from the Revere and Copley/Fairlawn schools, these locations were chosen.

Residents should respect the safety and educational atmosphere of schools. Please use this recycling center outside of school hours only.

Curbside Clothing Recycling

Bath Township now offers clothing and household item recycling at the curb.

Simple Recycling of Solon will pick up items on the same day as your usual trash collection using special green bags. If you do not have a green bag or need extra, please stop by the Administration Office between 8 and 4, Monday - Friday. Once Simple Recycling collects your bag, they will drop off a new one to use.

Recycle all household clothing and textiles plus other items.

For a complete list and explanation of the program, visit bathtownship.org>Solid Waste.

The ReWorks Household Hazardous Waste Recycling Center will be open between 2-7 pm every Thursday from June through September.

1201 Graham Road, Stow, Ohio 44224

Located at the Rt. 8 Overpass
